

*Lasting joy*

does not come and go. It is deep and stays with us no matter what we are going through. Naturally, it is not the same as the joys that the world gives us! The Saints have lived this joy, and we can learn to live like them, and be happy!

## ***A prayer for our Graduates:***

*Lord, we thank you for these graduating students. We pray that You will give them direction, purpose, and perseverance as they enter the next phrase of their lives. Give them clearness of mind to move forward into the plans and purposes that You have for them. May these young people gain wisdom from You and have discernment for their future. Raise up Christian mentors for these graduates so they have someone who holds them accountable on their faith journey. We pray that they will have the boldness to stand up for what is right wherever they work, study, or socialize. Give them wisdom to spend their time and money wisely. Grant them success for their efforts at every turn and guide their feet to follow Your ways. May they be eager to do good and use their skills and talents in mighty ways to serve You, in Jesus' name, Amen.*
