# 20th Sunday in Ordinary Time August 19, 2018

From: Fr. Tony Hesse:

This past week our Church celebrated the Solemnity (and Holy Day of obligation) of the Glorious Assumption of our Blessed Mother (body and soul) into heaven. It is nice have a feast day in the middle of the summer reminding us that we are not alone. Just as the triune God is always with us, so are Mary, the saints, and the angels also with us. Even though we sometimes find ourselves getting so busy with our summers that we also put ourselves on vacation from God, God is always with us and will never leave us (even if we sadly leave Him).

This solemnity, honoring Our Lady, reminds us that we are not alone and will never be abandoned. The Church celebrates this solemnity honoring Our Lady, so that with her and through her, we may also glorify our Lord. Just like Mary, who said "Yes" to the Father's will, so must we do the same, and not just during the holiday season, but all year (especially in the summer when we are out and about enjoying the beautiful creation He gave us).

*May our Blessed Mother help us with her prayers to totally surrender to the Lord  
and to always keep Him first in our lives...throughout the year!*

### Prayer for Priests

*Eternal God, please bless our priests, who represent you on this earth. Make them more greatly aware of the grace that you pour out through them when they minister the sacraments, and help them to fall more deeply in love with You after each and every Mass that they celebrate. Please strengthen our priests, who shepherd your flock, when they are in doubt of their faith, that they may be examples of your Truth and guide us always on the path to you. We ask these things of You our Eternal Priest. Amen*

#### PRAYER CHAIN

**Izzy Sullivan**

It's that time again, to be thinking of our Religious Ed classes. We will be looking at registration and ordering our books soon and will be needing to have a count of students. Please let me know if you are not going to be sending your children this year. Thanks much in advance.

Renville County Human Services is looking for people willing to volunteer to serve as guardians for adults who need assistance in making decisions due to developmental delays, mental illness or other conditions, such as dementia. Guardians are people who are Court appointed to make decisions on behalf of people who due to their mental status, are not able to make those decisions on their own behalf. For example, a guardian, in conjunction with their treatment team, will determine the appropriate residence (such as a group home or nursing home) for the individual who is no longer able to live independently.

The guardian's major responsibilities include authorizing placement and services, attending annual meetings or care conferences, completing annual well-being reports to the court, and authorizing medical care if needed. The amount of time is determined on a case-by-case basis.

Family member, relatives or sometimes friends typically serve as Guardians for people. However, the reality is that not everyone has someone willing to be responsible for his or her decision-making and urgently need a guardian.

Compensation may be available for performing this service.

Please contact Rita Bert at 320-523-3524 if you are interested in becoming a volunteer guardian.
