# 23rd Sunday in Ordinary Time September 9, 2018

From Fr. Tony Hesse:

This weekend's bulletin is general information. Call me if you have questions, comments, or concerns.

If you are not Catholic and would like to become Catholic, or if you are Catholic but have never been Confirmed, or if you would like to attend just to grow in deeper faith please call the Parish Office and sign up for the Rites of Christian Initiation of Adults (RCIA). These gatherings are helpful for those who are entering the Catholic Church and for those who desire to become full members in the Church. The RCIA gatherings will begin soon. If you have questions, please let Fr. Tony, Fr. Bob, or Deacon Ryan know.

-----  
If you have been noticing in the bulletins, we are including "Banns of Marriage". Banns of Marriage are the public announcement over a three week span in a church of an impending marriage between two specified persons. The purpose of the announcements in the past is for the church to establish freedom to marry prior to the internet or prior to the fast communication days. In other words, banns are for people to voice reasons for the couple not to be married. In 1983, the Roman Catholic Church removed the requirement for banns and left it to individual national bishops' conferences to decide whether to continue this practice. Although the Church is still concerned that we do not celebrate weddings if there are impediments, I would like to use the banns in our bulletins to ask for prayers for the couple.

-----  
I love the busyness of our parishes. However, my fear is that I will be forgetting something, like acknowledging in the bulletin the deaths of loved ones, the banns of marriage (see above definition of the banns), baptisms and other information. Please be patient with me and those involved in getting information out to you. Also, if you want to make sure information does get into the bulletins, please make sure you contact our parish offices.

-----  
Being all of our schools are underway, I just want to put a plug out there for our Catholic schools. We are blessed to have several of them near our area faith community. However, we are also fortunate to have one, St. Anne's from Wabasso, in our area faith community. During this next year, my hope is to make sure that we know more about the school and to do what we can to support it. We are blessed to have already several families from our area that send their kids to St. Anne's. If you are interested or would like more information, please let us know at our school or parish office (342-5389 or 342-5190)

Finally, our Church has experienced a lot of evil within her because of the sexual abuse. Just when we were hoping it was over (except evangelizing and doing what we can to avoid it), that bandage was ripped off and our emotions were kindled. However, instead of retaliating or giving up hope, please pray for our Church and everyone affected. Also, there was an excellent homily from Fr. Robert Altier and a video from Bishop Robert Baron that I would like to send you if you have access to a computer and internet. Fr. Bob Mraz also had an excellent homily and feel free to ask him for it. Together, let us pray for our Church!
