Seventh Sunday in Ordinary Time

From Fr. Tony Hesse:

Safe Haven Sunday is celebrating its first year of raising awareness throughout dioceses and parishes in the United States regarding the negative impacts of pornography on individuals, marriages, families and society. Safe Haven Sunday is a weekend set aside by dioceses and parishes to directly address the harms of pornography in an appropriate way. Within the context of the Mass, dioceses and parishes are able to provide teaching and resources that will support and protect individuals, marriages and families in making all homes a safe haven. It is inspired by the United States Conference of Catholic Bishops' formal statement *Create in Me a Clean Heart: A Pastoral Response to Pornography*, where they explain, "The use of pornography by anyone in the home deprives the home of its role as a safe haven and has negative effects throughout a family's life and across generations." Implementing Safe Haven Sunday is accomplished by following step-by-step instructions.

The family home is to be a safe haven. But the inappropriate use of technology in the home deprives it of this role, and is the greatest threat to the sanctity of marriages and families today. Pornography and other online threats are often one click away, and parents can feel overwhelmed with not knowing how to best protect their children in our fast-paced digital world.

Next weekend, March 2-3, our Area Faith Community and Diocese are taking a bold step to help families by celebrating Safe Haven Sunday. This awareness day will provide access to practical resources that any caring adult can use to protect themselves and our young people from online risks. Please join us with your prayers and presence as we prepare for this unique event. To learn more, please contact Fr. Tony at any of the parish offices. With the help of Jesus, Mary, and Joseph, let's help keep the family pure and holy.

The following prayer is for us to help in naming our parishes.

Prayer

Almighty and ever living God, name means so much to you and that is why you gave your beloved son; Jesus Christ, His name before He was conceived and born by His mother; Blessed Virgin Mary, because of the same reason you gave John the Baptist his own name before his birth and changed Simon's name to Peter, please God, we ask that you direct and choose the name which our Area Faith Community will bear. Through your spirit enlighten our minds with your will for us and make us accept it as we embark on the 4th plan of Parishes in our Diocese. Give us grace to accept what we cannot change and increase our faith as we make necessary changes in our Area Faith Community. Mary, mediatrix of all graces pray for us.
